## **CONSTRUCTION ADVISORY – UPDATE**

### **\*\* 5TH AVENUE (Passaic County Route 652), CITY OF PATERSON\*\***

**(Newark)** – The Passaic Valley Sewerage Commission (PVSC) anticipates construction activities on 5<sup>th</sup> Avenue, within the City of Paterson, to commence within the month. Residents and motorists are advised to plan accordingly.

This activity is associated with the utility relocation for the excavation of the access shaft on 5<sup>th</sup> Avenue; PVSC anticipates that the work at these locations will continue for several months. The Passaic Valley Sewerage Commission recognizes that this project will have an impact on the local community. We apologize for any inconvenience; however the work is essential to the future safety and health of Northern New Jersey residents.

Throughout the course of the project, PVSC will continue to provide updates to residents and commuters regarding the status of the work. The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check the home page of the PVSC website at [www.nj.gov/pvsc](http://www.nj.gov/pvsc) for further travel information.
